

# GRAND MESA JEEP CLUB

Grand Junction, Colorado  
Est. 1962

## Rock Junction & Rocky Mountain Off-Road Expo May 30 - June 3, 2017

Consider this your personal invitation to join the Grand Mesa Jeep Club for Rock Junction and the Rocky Mountain Off-Road Expo (RMORE). Rock Junction and the RMORE is located in a very unique setting for 4-wheel drive, adventure loving enthusiasts. Within an hour and half are some of the most spectacular scenic trails and some of the most extreme rock crawling trails in the United States of America. With that in mind, the club created Rock Junction, a three day off-road event. Participants drive their own 4WD vehicle on family-friendly group trail-rides. You can expect to explore places like Unaweep Canyon, Gateway, Montrose, Rangely, Moab, and the various trails around the Grand Valley. Wake up the next morning and off to a new location for a fantastic day of wheeling! Each evening features a BBQ hosted by the Grand Mesa Jeep Club, giving participants a chance to visit and tell tales of the day's adventures.

We kick this event off on Tuesday evening, May 30th, with a sponsored BBQ, check-in, and a vehicle inspection to make sure you have all the proper safety equipment. Spend this time getting your questions answered and an opportunity to meet the other participants.

New to Rock Junction this year is Rock Junction Rendezvous. The Rendezvous is the only guided Overland event in the nation. You will spend 2 nights out camping on the trail and on the 3rd night, camping with the rest of the Rock Junction participants at "Area 21". This will include 1-specially designed T-shirt with your registration. Vehicles must be completely self contained. You will be passing through town each day to get fuel and the necessities you might need. You will be camping at a different spot each night. The cost for the Rendezvous is \$150.00 per vehicle up to 2 people and \$50.00 each additional person.

For full details, check out our website [www.gmjc.org](http://www.gmjc.org) for registration on Rock Junction and the Expo. Early registration fees for Rock Junction are \$100.00 per driver and \$50.00 for each passenger. This includes all 3 days. Late registration starts May 16th. Dry camping will be available from noon on Tuesday through noon on Sunday for a fee of \$100.00. You can sign up for camping on Eventbrite when you register for Rock Junction. You must be self-contained. There is no electricity. There will be port-a-potties available. There are a few truck stops for showering and a RV dump nearby. Don't forget your camping chairs, umbrellas, and appropriate clothing for any kind of weather.

After three days of trail rides, join us on Saturday for the Rocky Mountain Off-Road Expo, an outdoor display of all types of off-highway vehicles and product vendors. It is also a great place to buy, sell or trade your old 4x4 stuff...or buy new stuff! This is a unique event that anyone can attend for free and is family friendly. There is also a free swap meet to sell all the off-roading, 4-wheel drive items taking up space and collecting dust you can bring.

Looking for new items for your rig? The latest and greatest products will be showcased by vendors from across the country in Grand Junction! This is also a great place to look for overlanding equipment including: fully outfitted trailers, tents, fridge/freezers, solar LED lights, camp stoves, and more. The Expo is free to attend and free to sell 4x4 related items at the Expo swap meet.

Any questions concerning these events, please contact Jeff Bates at 1-970-858-1394. We look forward to having you join us on this 4-day fun filled adventure.
